PROFILE

UX/UI and product designer with 2+ years of experience designing consumer-facing EdTech and digital products. Led end-to-end redesigns that increased task success rates by 60%, user retention by 30%, and drove 80% completion of defined learning goals. Strong in design systems, information architecture, and product strategy; skilled in prototyping, usability testing, and behavioural insights, and equally comfortable going deep on research or shipping pixel-perfect UI.

WORK EXPERIENCE

Coschool

March 2025 – April 2026

UX/UI Designer, Hyderabad

- Spearheaded end-to-end redesign of the teacher and student platform through usability testing and heuristic evaluation, improving analysis score from 5.5 to 8.5.
- Drove product adoption by redesigning the core feature experience informed by behavioural insights and user flows, contributing to an 80% completion rate of defined learning goals.
- Restructured information architecture and interaction patterns across the student home experience and design system, increasing feature visibility and usage by 70%.
- Increased task success rate by 60% and user retention by 30% through experimentation and iterative design, resolving friction across key user journeys.
- Drove stakeholder alignment across product, engineering, marketing and leadership through structured design reviews, prototyping handoffs, and cross-functional collaboration.

Neo Marche

Oct 2023 – May 2024

Communication Designer, Mumbai

- Shaped brand language and visual identity across 5 digital channels, contributing to an accessible digital interface design for a fashion retail audience.
- Maintained consistent visual identity, contributing to a cohesive brand presence during the brand's growth phase.

Space118

Dec 2023 – Jan 2024

Digital Product Designer, Mumbai

Designed an immersive web-based audio-visual experience for art show 'The Right To Look', driving 2x traction and engagement.

Goa Sunsplash

Nov 2023 – Dec 2023

Visual Designer, Goa

End-to-end creation of print and digital collateral, posters, packaging, and banners for a large-scale music festival.

SHEISIN

Oct 2022 – Dec 2022

Digital Designer, Mumbai

Supported brand launch through post-production, website listing design, and digital assets for a new fashion collection.

Ruskin Bond Collection

May 2022 – Aug 2022

Product Editor, Mumbai

Designed sustainable merchandise mockups and packaging for a themed product line.

EDUCATION

Pearl Academy, Mumbai

2021 – 2025

Professional Diploma in UX/UI Design

Academic Excellence, 2022

Final year thesis, 2024–25

DAV Public School, Rupnarayanpur

2019 – 2021

Senior Secondary (Class XII, 2021) · Secondary (Class X, 2019)
